

INCIDENT ALERT

LOCATION: Transport

ALERT STATUS: Normal

ACTIVITY: Access & Egress & Working at Height

DATE ISSUED: 04/02/09

SUB ACTIVITY: N/A

INCIDENT No: 00213

TITLE

Preventing Falls from Height

ACCIDENT / INCIDENT DETAILS

A Technician noted the attached Unsafe Practice whilst on site. The driver was immediately asked to stop what he was doing and reminded that purpose-made access platforms were available which would make the task much safer.

LEARNING POINTS / ACTIONS TAKEN

WORKING AT HEIGHT IN AN UNSAFE MANNER CAN LEAD TO SERIOUS INJURIES.

LNever work in the back of discharge chutes in the above manner.

LUndertake a risk assessment and follow the safe working practice.

LCheck the local arrangements for safe access when working on Truck Mixers.

LNever put yourself at risk.
