TITLE	
John Crabbe Award 2022 - Winner F M Conway	
ARTICLE	
<p>F M Conway was selected because it demonstrated outstanding innovation and leadership in the management of health and safety within the industry, this company has also shown how adopting new technology can eliminate risk.</p> <p>This company has also shared its knowledge in the field of health and safety and has continued to review progress being made. It has empowered the workforce by sending them to leadership programmes and workshops.</p> <p>This company's Big Ten of Ten concept has been a huge success and the John Crabbe Memorial Award will, we hope, go some way to recognising and paying tribute to the legacy of Michael Conway, who sadly passed away earlier this year.</p>
