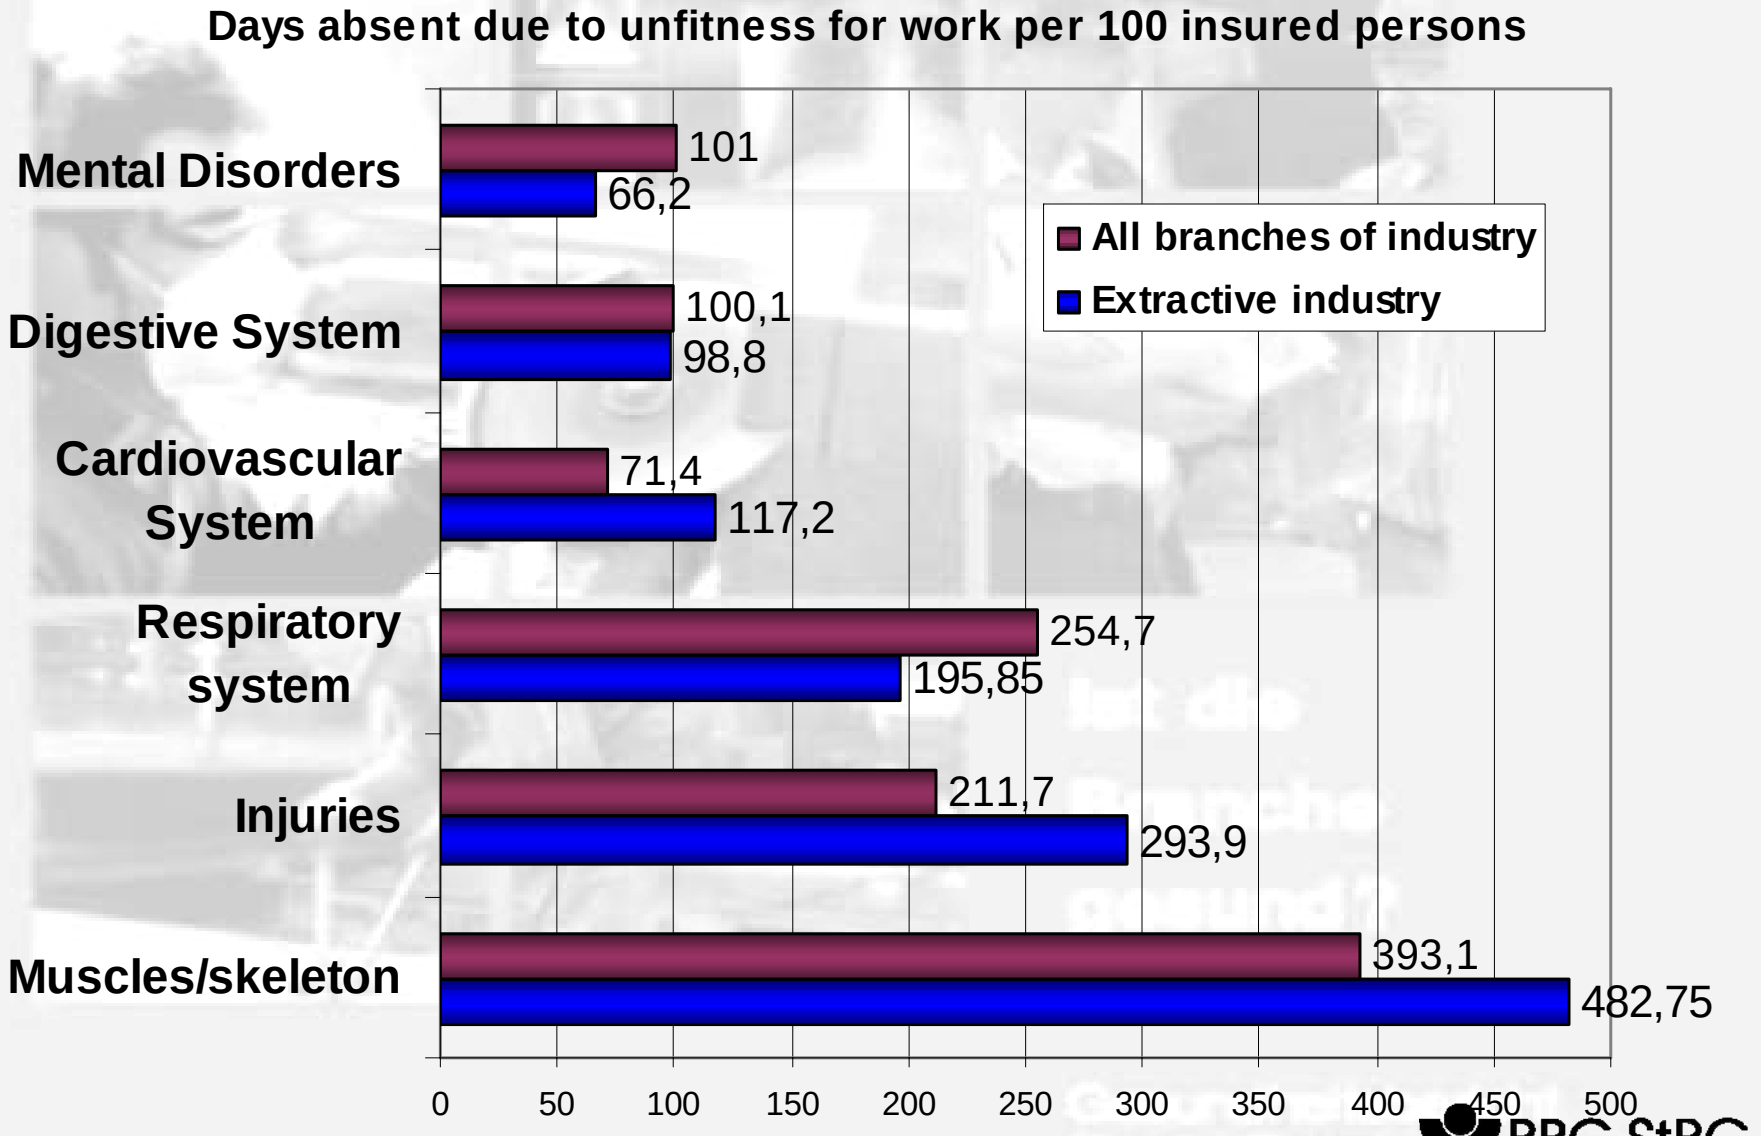
Illness in the Extractive Industry



BBG. StBG.
Bergbau- und Steinbruchs-Berufsgenossenschaft

Results of the Health Report

Diseases of the cardiovascular and the muscular and sceletal system occur very often in the extractive industry.

They are long-term illnesses and an important cost factor.

Causes:

- **Lifting and carrying**
- **Non ergonomical working position**
- **Lack of exercise and activity**
- **Consumption of alcohol and nicotine**
- **Unhealthy nutrition and overweight**
- **Stress and insecure job situation**
