

# **Enhanced training of employees - better working conditions**

**Walter Nelles**

**MIRO – German Aggregates Federation**

**MIRO**

[www.bv-miro.org](http://www.bv-miro.org)

# Need for enhanced training

- Technological change
- New regulations in the field of OHS
- Demand employers make on their employees

**Training courses for employees  
in management positions  
(foreman, head-workman etc.)**

**created by  
Steinbruchs-Berufgenossenschaft and MIRO**

# Contents/Agenda (Current Seminars)

- Responsibility for OHS
- Outsourcing (subcontracting)
- Occupational health and diseases
- Fire protection
- Securing loads

The model was developed by a company and provided for the training courses.

# Future Topics

- Responsibility for OHS
- Deregulation of OHS-rules:  
The new „Betriebssicherheitsverordnung“
- Stand alone workers
- Fall Protection
- Handling of chemical agents at work

**Thank you very much  
for your attention!**
