

INCIDENT ALERT

INCIDENT TIME:	Out of hours weekday	DATE:	19/05/2014 13:09:44
COUNTY:	Oxfordshire	LOCATION:	Rural
INCIDENT No:	00030		

Fuel Theft

INCIDENT DETAILS

Thieves cut through two security gates then dismantled all site security cameras, they then drove a fuel tanker or similar up to the fuel tanks and took approx 20,000 ltrs of red diesel.

POLICE REACTION

When the staff arrived for work and noticed the break in they called the police who attended.

HEALTH AND SAFETY IMPLICATIONS

LEARNING POINTS

Do not keep large amounts of fuel on site, also park all mobile plant around fuel storage tank to limit access
