TITLE	
Preventing falls from LGV cabs. JOINT WINNER - Topic 5	
ARTICLE	
<p>JOINT WINNER - SAFER TRANSPORT AND LOGISTICS</p> <p>Heidelberg Materials have developed a programme to encourage drivers to access and egress cabs more safely by further developing the concept of 3 points of contact.</p> <p>Please view the video to see the range of initiatives they introduced.</p> <p>The attached pdf of the entry form includes images of the signage used and you can follow this link to the training video produced to support the programme.</p>
