TITLE

Internal newsletter for a smaller company

ARTICLE

The Health & Safety Manager of Tudor Griffiths has devised a new style internal company newsletter which encourages the communication of incidents between departments, and which reports on the issues discussed in health and safety quarterly meetings.

The monthly newsletter is aimed at employees at the "sharp end" of the business and is limited to two sides of A4 to make it easy to flick through during a lunch break.

The content ranges from recent near hits in the company, to relevant articles from the national press.
