The Health & Safety Conference and Awards is one of MPA's most important events of the year and is an opportunity to bring together companies from the length and breadth of our membership to celebrate commitment, progress and achievement in health and safety. Members who have attended previously confirm that the ideas they gain by participating make a real difference to the health and

safety of their employees, contractors and the general public.

Register on the MPA members' site at <http://members.mineralproducts.org> by filling out the on-screen form. You will then be sent a validation email for access to a wealth of information on the mineral products industry.

Use our Members' Forum [here](#) to comment on anything you read in MPA Directs (you might need to log in or sign up first).
