RECOGNISE THE OUTSTANDING INDIVIDUAL PERFORMANCE OF YOUR EMPLOYEES

Nominating one or more of your employees for the **Individual Recognition** or **Young Leader Awards**, is a great way to demonstrate to them that you value the unique contribution they have made to your organisation's health and safety. All that is required is a couple of paragraphs explaining why you have nominated the individual for either of these awards. Nominations can be recognised through your own internal communications, reinforcing the safety messages with their peers, and will also be highlighted across the industry at the awards event on the 9th November.
